

Origami dos 6Rs

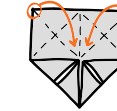

1 Dobre o quadrado ao meio e na transversal conforme a linha pontilhada.

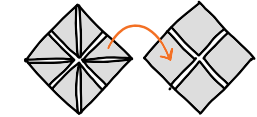

2 Vire o papel e dobre as quatro pontas do meio ao centro.

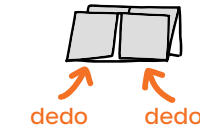

3 Vire o quadrado.

4 Dobre, novamente, as quatro pontas do quadrado ao centro.

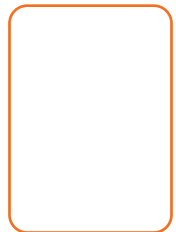

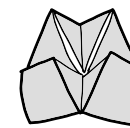

5 Vire o quadrado.

6 Dobre o quadrado ao meio.

7 Encaixe os quatro dedos nas abas e faça o movimento de abre e fecha estruturando o origami.

Recorte nesta linha, monte seu origami e divirta-se com sua família!
